Table of contents

I. Credicorp
Strategy

II. Business units

Credicorp strategy focuses on three pillars to support long term growth and profitability...

Risk Management

We believe that **adequate assessment and management of risks** inherent to our business form the basis for sustainable growth and strong performance.

Efficient Growth

We are committed to continuously improve **efficiency** in our businesses in an effort to achieve sustainable and profitable growth.

Stakeholders

We strive to satisfy our **stakeholder's needs**, maintaining close contact over time and creating sustainable relationships with them.

Credicorp has achieved the highest standards in risk management...

Objective

- Strengthening risk management at Credicorp consistent with the best practices and regulations;
- Encourage and adequate dissemination of the Corporation's risk culture; and
- Maintain a corporate risk control structure.

Scope

- Credicorp's corporate risk management system incorporates all of Credicorp's financial and insurance institutions.
- Corporate risk management covers the following risks→ Credit and Counterparty Risk , Operational Risk, Liquidity Risk, Market Risk, Strategic Risk, Reputational Risk and Insurance Technical Risk.

General Principles

- **Senior Management Involvement:** The Board establishes the Corporations's objectives, policies and risk appetite, with some of these duties delegated to a Risk Committee.
- **Independent Risk Management:** Duties of risk divisions and business divisions are clearly segregated, avoiding conflicts of interest.
- **Corporate Risk Management:** Credicorp monitors and controls risk through its corporate risk management system.
- Sufficiency and quality of resources associated with risk management.
- Compliance with the Credicorp's Code of Ethics.

BCPs strategy focuses on four pillars to support long term growth and profitability...

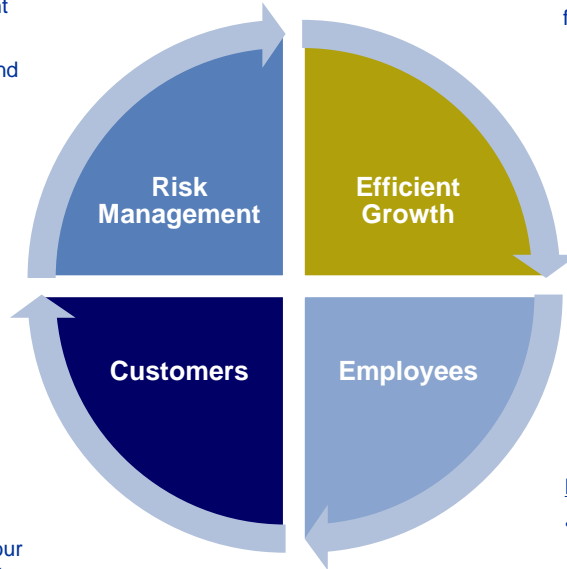

Risk Management

- Governance of risk management (Retail Banking).
- Periodic calibration of models and risk tools.

Efficient Growth

Efficient growth is structured in two fronts:

- **Continuous improvement:** productivity management, establishment of new committees, and process improvement.
- **Efficiency program:** products, service model, organization and support functions, operations and IT, and culture.

Customers

- **Customer focus:** attention, satisfaction and retention.
- Continuous enhancement of our products and services to meet our customers' needs while supporting their growth and development.

Employees

- Attract and retain best talent in the market.
- Establish ourselves as the best place to work in Peru.

Throughout its 125 years BCP has developed substantial competitive advantages over its competitors...

Strong franchise

- Consolidated leadership in most segments in which we operate both in terms of loans and deposits.

Largest network

- Largest and most diversified network in the industry.
- Pioneers in alternative channels such as Agente BCP and Telecredito.
- Efficient placement of new products and collection process thru alternative channels.

Sound funding structure

- Focused on low cost core deposits.
- Deposits represent 70% of total funding.
- Low average cost of funds.

Brand recognition

- Most recognized brand in its industry.
- Client attraction and retention.

Human Capital

- Position as leader has allowed for attraction and retention of the best talent in the market.
- Top management team.

Information

- 125 years of operations has led to largest client data base in the industry.
- Over 6 million clients
- Use of sophisticated Data-Mining tools to analyze valuable information.

Pacífico's strategy is focused on three strategic pillars

Objectives

Actions

Highly productive and professional channels.

- Focus on massive business growth (Bancasurranca, automobile, medical care) with optimal scoring models and pricing.
- Strengthen traditional and alternative distribution channels with lower acquisition costs.
- Develop business intelligence capabilities.

Efficient structure: process and synergies

- Focus efforts to achieve a more efficient structure .
- Review operation processes (Lean, automation, etc.) and complete the implementation of the new efficient operating system (GuideWire).
- Capitalize synergies with Credicorp (purchase, risk management, compliance, audit, etc.)

Position ourselves as the "easiest way of getting insured".

- Establish simple and standardized processes for greater customer satisfaction and low operational costs.
- Effective and efficient transactions (first call resolution) to maximize the value of every customer contact.
- Develop easy to understand policies and offer modular prices to attract customers.

The evolution QoQ in L/D ratio in LC is attributable to adjustments being made to the SME business model...

Loan / Deposit Ratio

- ✓ The L/D ratio has experienced an upward trend in the past few years as a result of higher growth in loans than in deposits.
- ✓ The pace of loan expansion has not been affected by lower growth in deposits since it has been accompanied by **alternative funding**, some of which imply even lower costs.

BCP has consolidated its leadership, but has space to grow in the retail business...

Safe Harbor for Forward-Looking Statements

This material includes “forward-looking statements” within the meaning of Section 21E of the Securities Exchange Act of 1934. All statements other than statements of historical information provided herein are forward-looking and may contain information about financial results, economic conditions, trends and known uncertainties.

The Company cautions readers that actual results could differ materially from those expected by the Company, depending on the outcome of certain factors, including, without limitation: (1) adverse changes in the Peruvian economy with respect to the rates of inflation, economic growth, currency devaluation, and other factors, (2) adverse changes in the Peruvian political situation, including, without limitation, the reversal of market-oriented reforms and economic recovery measures, or the failure of such measures and reforms to achieve their goals, and (3) adverse changes in the markets in which the Company operates, including increased competition, decreased demand for financial services, and other factors. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.

The Company undertakes no obligation to release publicly the result of any revisions to these forward-looking statements which may be made to reflect events or circumstances after the date hereof, including, without limitation, changes in the Company’s business strategy or planned capital expenditures, or to reflect the occurrence of unanticipated events.
